

ECO ELECTIVE COURSES AUTUMN 2024

Outline autumn term 2024

Study period 1-2	Elective courses: 15 credits in total <i>Do not choose more than two courses in study period 1-2 (or three if including GM0765).</i>
Study period 3	Core: GM0749 Applied Econometrics
Study period 4	Elective course: 7,5 credits in total <i>Do not choose more than one course in study period 4.</i>

NOTE! To obtain a MSc in Economics Degree you must accumulate a total of 120 credits, of which at least 90 credits are courses in economics. Since the core courses in economics are 75 credits, **you must take at least 15 credits elective courses in economics during the programme elective periods** (year 1, spring term and year 2 autumn term). **Courses within the economics area are courses from the economics (GM07XX) and finance (GM10XX) programmes.**

Important!

- **On Monday 27 May, you will receive a unique link** on your university email that takes you to the application form. The link in the email is personal so do not let anyone else submit their choices via your personal link. You can revise your elective choices until the deadline by re-submitting the form. If you are having problems or you have not received your personal link, you should contact **Karin Jansson** (karin.jansson@gs.gu.se) at the Graduate School.
- If you are applying for **the internship course**, you should choose *GM0765 Internship for the Master's Programme in Economics* (15 credits) and an *additional* 15 credits of courses in period 1 and 2 (in case your internship is not approved).
- Some courses are part-time and run parallel with each other. **They are not always compatible schedule-wise and if you are considering part-time courses, check and make sure that the schedules match before you make your choice. It is not recommended to mix full-time and part-time courses in the same study period.**
- Courses with **pre-requisites** are noted in this document (marked with x). For these courses you need to check that you fulfil the pre-requisites in the course syllabus *before* sending your choices.
- For the next semester and for each study period, you'll yourself [register for your courses in Ladok](#). The registration period for study period 1 **will be open between 23 and 28 August**. The course registration is necessary in order to take part in the course, for access to the course Canvas page and hence reporting of your study results.

The deadline for choosing courses is **Friday 31 May at 11:00 hrs.**
Make sure you have chosen three courses (four if including GM0765).
Choose carefully. You cannot change courses after the deadline.

Information about the courses

Click on the course code link to find:

- **Content:** In the Course syllabus
- **Schedule:** Please note! The schedule is preliminary and can be updated until 2 weeks before the start of the course. If you wish to see schedules for more than one course at the time, enter the course codes in the [preliminary schedule link](#) for autumn 2024.
- **Literature:** Literature/Reading list for autumn 2024 is available 8 weeks before the course start.
- **Examination dates:** Examination dates for written exams are noted in the schedule.
- **Grading system:** In the Course syllabus.
- **Specific pre-requisites** can be found in the course syllabus. Some courses have pre-requisites in accordance with the requirements for a specific Master's programme. For those courses, see the programme [here](#). If you have questions regarding the pre-requisites, you are welcome to contact the [student counselling](#).

Sustainability labelling of courses

Courses that are **sustainability-focused**, where at least one of the learning outcomes clearly shows that the course content meets one of the current sustainability criteria. In accordance with the criteria, the content with a focus on sustainability must also constitute the main focus of the course.

Courses that are **sustainability-related**, where at least one of the learning outcomes clearly shows that the course content meets one of the current sustainability criteria.
