

# Useful links when searching for data

## International macro and micro data

OECD: [OECD Data](#)

World bank: <https://data.worldbank.org/>

Data from the UN: [UNdata](#)

Eurostat: <https://ec.europa.eu/eurostat>

EU data on several areas: [data.europa.eu](http://data.europa.eu)

African micro data [DataFirst - Home \(uct.ac.za\)](#)

Swedish National Data Service (they also have a lot of international datasets): [Find Data | Swedish National Data Service \(gu.se\)](#)

Census and survey data around the world covering various fields: [Homepage | IPUMS](#)

## Survey data

World Values Survey: <https://www.worldvaluessurvey.org/wvs.jsp>

European Social Survey: <http://www.europeansocialsurvey.org/>

Afrobarometer <http://afrobarometer.org/>

Survey of Health, Aging and Retirement in Europe (SHARE): <http://www.share-project.org/>

Demographic and health surveys: <https://dhsprogram.com/> [The DHS Program - Available Datasets](#)

South African household panel: <http://www.nids.uct.ac.za/nids-data/data-access>

## Swedish data

[The Swedish dataportal](#)

Statistics Sweden SCB <https://www.scb.se/hitta-statistik/>

Data from Sweden's municipalities: [SKR:s öppna data | SKR](#)

Swedish Tax Agency: <https://www.skatteverket.se/statistikportalen>

Socialstyrelsen <https://www.socialstyrelsen.se/statistik-och-data/statistik/statistikdatabasen/>

Skolverket <https://www.skolverket.se/om-oss/oppna-data>,

Swedish longitudinal school related data: [Evaluation Through Follow-up - ETF, University of Gothenburg \(gu.se\)](#)

## Replication data

Many scientific journals require that data is made publicly available. Search interesting journals for data. Here are some data bases that also might be useful:

Replication (and other) data: <https://www.icpsr.umich.edu/web/pages/> You can search it by field

Another search engine for replication data: <https://www.openicpsr.org/openicpsr/>

Replication data from NBER: [Public Use Data Archive | NBER](#)

## Special topics

Quality of government: [QoG Data | University of Gothenburg \(gu.se\)](#)

World inequality data: [Data - WID - World Inequality Database](#)

International company-level data: [Orbis | Compare Private Company Data | Bureau van Dijk \(bvdinfo.com\)](#)

Data on policing in the US: <https://www.policedatainitiative.org/> <https://openpolicing.stanford.edu/>

Data set from Måns Söderbom on small-scale farming in Tanzania:

[Replication Data for: "The Effects of Storage Technology and Training on Post-Harvest Losses, Practices and Sales: Evidence from Small-Scale Farms in Tanzania" - Economic Development and Cultural Change Dataverse \(harvard.edu\)](#)
