Important!

- **On Wednesday 27 November, you will receive a unique link** on your university email that takes you to the application form. The link in the email is personal so do not let anyone else submit their choices via your personal link. You can revise your elective choices until the deadline by re-submitting the form. If you are having problems or you have not received your personal link, you should contact **Karin Jansson** (karin.jansson@gs.gu.se) at the Graduate School.
- Some courses are part-time and run parallel with each other. **They are not always compatible schedule-wise and if you are considering part-time courses, check and make sure that the schedules match before you make your choice. It is not recommended to mix full-time and part-time courses in the same study period.**
- Courses with **pre-requisites** are noted in this document (marked with x). For these courses you need to check that you fulfil the pre-requisites in the course syllabus *before* sending your choices.
- For the next semester and for each study period, you'll yourself [register for your courses in Ladok](#). The registration period for study period 1 **will be open between 11 and 16 January**. The course registration is necessary to take part in the course, for access to the course Canvas page and hence reporting of your study results.

The deadline for choosing courses is Thursday 5 December at 11:00 hrs.

Make sure you have chosen two courses (including one semi-core).

Choose carefully. You cannot change courses after the deadline.
