

## ELECTIVE COURSES AUTUMN 2025

## Outline autumn term 2025

<b>Study Period 1-2</b>	<b>Elective courses:</b> 15 credits in total
<b>Study Period 3</b>	<b>Core:</b> GM0534 Global Logistics Management (7,5 credits)
<b>Study Period 4</b>	<b>Core:</b> GM0540 Research Methods (7,5 credits)

## Important!

- **On Thursday 22 May, you will receive a unique link** on your university email that takes you to the application form. The link in the email is personal so do not let anyone else submit their choices via your personal link. You can revise your elective choices until the deadline by re-submitting the form. If you are having problems or you have not received your personal link, you should contact **Karin Jansson** ([karin.jansson@gs.gu.se](mailto:karin.jansson@gs.gu.se)) at the Graduate School.
- Some courses are part-time and run parallel with each other. **They are not always compatible schedule-wise and if you are considering part-time courses, check and make sure that the schedules match before you make your choice. It is not recommended to mix full-time and part-time courses in the same study period.**
- Courses with **pre-requisites** are noted in this document (marked with x). For these courses you need to check that you fulfil the pre-requisites in the course syllabus *before* sending your choices.
- All elective courses are 7,5 credits.
- For the next semester and for each study period, you will yourself [register for your courses in Ladok](#). Registration for study period 1 is open **between 22 and 27 August**. Note that course registration is necessary for you to take part in the course, gain access to the course Canvas page and to have your study results reported.

**The deadline for choosing courses is Monday 2 June at 11:00 hrs.**

**Make sure you have chosen 15 credits. Choose carefully.**

**You cannot change courses after the deadline.**

## Information about the courses

Click on the course code link to find:

**Content:** In the course syllabus

**Schedule:** Please note! The schedule is preliminary and can be updated until 2 weeks before the start of the course. If you wish to see schedules for more than one course at a time, enter the course codes in the [preliminary schedule link](#) for autumn 2025.

**Literature:** Literature/Reading list for autumn 2025 is available 8 weeks before the course starts.

**Examination dates:** Examination dates for written exams are noted in the schedule.

**Grading system:** In the course syllabus.

**Specific pre-requisites:** In the course syllabus. Some courses have pre-requisites in accordance with the entry requirements for a specific Master's programme. For those courses, check that you fulfill the entry requirement in the relevant programme syllabus below:

- [Programme syllabus Master of Science in Accounting and Financial Management](#)
- [Programme syllabus Master of Science in Economics](#)
- [Programme Syllabus Master of Science in Finance](#)
- [Programme syllabus Master of Science in Logistics and Transport Management](#)
- [Programme Syllabus for Master of Science in Management](#)

If the column "Specific pre-requisites" is blank, you are considered eligible. If you have questions regarding the pre-requisites, you are welcome to contact the [student counselling](#).

**Ranking of candidates:** Some courses are very popular and have more applicants than available seats. In such cases, students are ranked by their number of university credits (maximum 285 credits). If a course is full, you will be contacted by email in order to make a new choice. We will also contact you if you have made an incorrect choice, or do not meet the entry requirements.

## **Sustainability labelling of courses**

Courses that are **sustainability-focused**, where at least one of the learning outcomes clearly shows that the course content meets one of the current sustainability criteria. In accordance with the criteria, the content with a focus on sustainability must also constitute the main focus of the course.

Courses that are **sustainability-related**, where at least one of the learning outcomes clearly shows that the course content meets one of the current sustainability criteria.
