

CE Cergy Paris Université

Exchange semester	Autumn semester 2025
Study level	Graduate (Master)
Home faculty at GU	School of Business, Economics and Law
Studies at GU	Law

Courses during exchange

British Civilization, Introduction to British Law, Torts, Global Law, Rules of evidence, Equity and Trust Law

Difference between studying at GU

The exams and the literature

Arrival, orientation and housing

We had a nice arrival, because it was a speedy process with our AirBnB.

Finances

It was a bit more expensive with monthly public transport card. Also because you want to explore the city and do more things it gets a bit more expensive than at home. Though we didn't need to buy any literature, which we have to at GU and is often very expensive

Life in a new country/culture

Great, I really enjoyed the stay

Overall exchange experience

Great!!
