

Norwegian University of Science and Technology, NTNU

Exchange start semester	Autumn semester 2023
Study level	Undergraduate (Bachelor)
Home faculty at GU	IT-Faculty
Studies at GU	SEM

Courses during exchange

- Game development
- Mobile application development

Main difference compared to studying at GU

I was studying 4 courses at the same time instead of 2.

Arrival, orientation and housing

I made connections easily, teachers and staff were helpful and eager to make us feel welcomed

Finances

Much higher overall costs, rent is similar, transportation is cheaper

Life in a new country/culture

Very fulfilling

Overall exchange experience

Enriching, made me grow personally and academically
